## About Me

I am a Computer Science student from Spain specializing in backend development. I have experience with C, TypeScript, and Go, as well as server management with AWS and bare-metal Linux

## Skills

- Server Managment
- AWS managment
- Programming with C
- Programming with Javascrip/  
Typescript
- Programming with Go
- English B2
- Spanish and Catalan native
- French A2

## Education

### Medium Technician in Microcomputer Systems and Networks

CIPFP Batoi

2023 - 2025

I have learned to program in js and configure network services such as HTTP, FTP or SSH servers.

And how to configure networks with windows Active Directory, LDAP, DHCP and other similar services.

### AWS Academy

Amazon Web Services

2024-2025

<https://www.credly.com/badges/ba51411b-4c4f-40f0-8bc3-7cb4acflfdf6/print>

I have learned to use AWS services such as EC2, Lambda, Cloud Front or AWS CodePipeline.

## Working Experience

### Receptionist at the box office

BIOCULTURA

2024

I have worked as a receptionist at the box office at the Biocultura Madrid 2024 fair.

### Children's monitor

Kayfra+

2024

I have worked 1 month in a summer school as a monitor for children between 3 and 10 years old. For this I had to get the title of MAT monitor (EAJSAC/26/2023/MAT/2).

### Receptionist at the box office

BIOCULTURA

2024

I have worked as a receptionist at the box office at the Biocultura Barcelona 2024 fair.

## Personal projects

### DOS card game

[github.com/pedrofm/dos-card-game](https://github.com/pedrofm/dos-card-game)

Online card game based on UNO made with typescript where you can join different rooms and play with your friends.

### HTTPS Server

[github.com/pedrofm/https-server](https://github.com/pedrofm/https-server)

This program is an HTTPS server built using only OpenSSL and C.

## Other achievements

### Debate and oratory

I am a member of the San Roque school debate group. Together we won the pre-university debate organized by the Activa-t foundation and the University of Valencia in 2024 and we also won the league organized by the Activa-t foundation in Alicante in 2023.
